

Large Format

Our large format department ensures we can cater for all your requirements!

Our Roland Soljet large format printer offers high quality print on a wide variety of materials.

Canvas printing is a unique way to stamp your individuality on any interior design project or just for your home. From the boardroom to your public spaces, canvas art can be used to reinforce your brand, create ambiance or inject some colour, fun or memories into your everyday surroundings. Our canvases are mounted on a high quality wooden frame.

Eyeleted Banners are a great way to advertise your event or business. They are attractive, eye-catching and durable.

Posters of size A2 - A0+ with fast and reliable service - Avenue Printing House specialise in short, medium and long run large format poster printing, that cater for all kinds of projects including exhibitions, retail displays and business promotions.

Self-adhesive vinyl prints are an increasingly popular option. We offer prints mounted on foamex board, of varying thicknesses, to give a sturdy and attractive display.

Pop-up display banners are essential for exhibitions or events.
